

## Displacement Transducers

### CBR Displacement Transducer

Code: 27-1706

Attributes: Mounting Bracket = Included as standard., Description = CBR Displacement Transducer

Standards:

### Axial Strain Transducer Assembly 50mm Travel Fitted with 5 Pin Din Plug.

Code: 27-1617

Attributes: Description = Axial strain transducer assembly 50mm travel, Mounting Bracket = Included as standard.

Standards:

### Horizontal Displacement Transducer Assembly 15mm Travel 5 Pin Din Plug Mounting Pillar

Code: 27-1697

Attributes: Description = Horizontal displacement transducer assembly 15 mm travel, Mounting Bracket = Included as standard.

Standards:

### Vertical Displacement Transducer Assembly 15mm Travel with 5 Pin Din Plug Bracket for Shear Box

Code: 27-1689

Attributes: Description = Vertical displacement transducer assembly 15 mm travel, Mounting Bracket = Included as standard.

Standards:

### Consolidation Transducer Assembly 15mm Travel Fitted with 5 Pin Din Plug.

Code: 27-1649

Attributes: Description = Displacement transducer, Mounting Bracket = Included as standard.

Standards:
