

Moisture meters

Protimeter Grainmaster Moisture Meter with 15 Pre-Programmed Crop Calibrations.

Code: [560-020](#)

Attributes: [Description](#) = Protimeter Grainmaster Moisture Meter

Standards:

Moisture Meter for Baled Hay Straw and Tobacco with 600mm Long Probe.

Code: [560-038](#)

Attributes: [Description](#) = Moisture Meter for Baled Hay Straw and Tobacco

Standards:

Fast Response Temperature Probe 1m Length. for Use with 560-020.

Code: [560-022](#)

Attributes: [Description](#) = Fast Response Temperature Probe

Standards:

Universal Moisture Probe 1 Metre

Code: [560-095](#)

Attributes: [Description](#) = Universal Moisture Probe

Standards:

Grain Airflow Meter.

Code: [560-050](#)

Attributes: [Description](#) = Grain Airflow Meter

Standards:
