

Remote Head Automatic Compression Machines

Remote Head ADR Touch Control PRO 2000 Compression Machine

Code: 36-5225/02

Attributes: Voltage Supply = 110-120 V 60 Hz, Description = Remote Head ADR Touch Control PRO 2000 Compression Machine

Standards:

Remote Head ADR Touch Control PRO 2000 Compression Machine

Code: 36-5225/06

Attributes: Voltage Supply = 220-240 V 60 Hz, Description = Remote Head ADR Touch Control PRO 2000 Compression Machine

Standards:

Remote Head ADR Touch Control PRO 3000 BS EN Compression Machine

Code: 36-5265/06

Attributes: Voltage Supply = 220-240 V 60 Hz, Description = Remote Head ADR Touch Control PRO 3000 BS EN Compression Machine

Standards:

Power Base and Remote Head

Code: 37-4887/10

Attributes: Description = Power Base and Remote Head

Standards:

Twin Desk mount adapter for ADR TCP display and PC monitor

Code: 37-4887/11

Attributes: Description = Twin Desk mount adapter for ADR TCP display and PC monitor

Standards:

Desk mount adaptor for ADR TCP display

Code: [37-4887/12](#)

Attributes: [Description](#) = Desk mount adaptor for ADR TCP display

Standards:

Wall mount adaptor

Code: [37-4887/13](#)

Attributes: [Description](#) = Wall mount adaptor

Standards:

Complete ADR Touch Control PRO Console Remote Head (no mount)

Code: [37-4887/01](#)

Attributes: [Description](#) = Complete ADR Touch Control PRO Console Remote Head (no mount)

Standards:

ADR Touch Control PRO 3000 BS EN Compression Machine complete with Remote Head

Code: [36-5265/01](#)

Attributes: [Voltage Supply](#) = 220-240 V 50 Hz, [Description](#) = Remote Head ADR Touch Control PRO 3000 BS EN Compression Machine

Standards:

ADR Touch Control PRO 2000 Compression Machine complete with Remote Head

Code: [36-5225/01](#)

Attributes: [Voltage Supply](#) = 220-240 V 50 Hz, [Description](#) = Remote Head ADR Touch Control PRO 2000 Compression Machine
