

Surveying Equipment

Binoculars, 10x50

Code: [500-190](#)

Attributes: [Description = Binoculars](#)

Standards:

Sighting Compass

Code: [500-108](#)

Attributes: [Description = Sighting Compass](#)

Standards:

Laser Distance Meter

Code: [500-116](#)

Attributes: [Description = Laser Distance Meter](#)

Standards:

Pocket altimeter

Code: [500-112](#)

Attributes: [Description = Pocket altimeter](#)

Standards:

Electronic digital theodolite

Code: [500-175](#)

Attributes: [Description = Digital theodolite](#)

Standards:

Automatic Level

Code: [500-170](#)

Attributes: [Description = Automatic Level](#)

Standards:

Levelling staff, 5m

Code: [500-145](#)

Attributes: [Description = Levelling staff 5m](#)

Standards:

Ranging rod

Code: [500-146](#)

Attributes: [Description = Ranging rod](#)

Standards:

Land chain

Code: [500-154](#)

Attributes: [Description = Land chain](#)

Standards:

Land chain arrows

Code: [500-156](#)

Attributes: [Description = Land chain arrows](#)

Standards:

Clinometer

Code: [500-106](#)

Attributes: [Description = Clinometer](#)

Standards:

Double prismatic square

Code: [500-126](#)

Attributes: [Description = Double prismatic square](#)

Standards:

Abney level

Code: [500-132](#)

Attributes: [Description = Abney level](#)

Standards:

Planimeter

Code: [500-140](#)

Attributes: [Description = Planimeter](#)

Standards:

Fast Speed Tape

Code: [500-162](#)

Attributes: [Description = Steel tape](#)

Standards:

Total Station with EDM, Tribach, Li-Ion Battery, Charger, Flat Prism, Reflector Pole and Carry Case

Code: [500-196](#)

Attributes:

Standards:

Land measurer

Code: [500-118](#)

Attributes: [Description = Land measurer](#)

Standards:
